Dear Vasif

The title is.

- ① 'SIGNS OF LIFE'
- ② THE MEDIUM IS 'SILVER GELATIN PRINTS MOUNTED ON LINEN' 5 IMAGES IN TOTAL VARIOUS SIZES.

They are just screwed straight to the wall with eyelets in the work. They need if possible decent lighting normally a mixture of spots and floods.

The new space is fine although I think it would be best separated from Damien's work because they are very different. Can we have a wall between the two?

Hope all is well in Istanbul - look forward to return visit.

Best wishes

Hannah Collins
