hi vasif

just talked to the driver - he will be in the border tomorrow around 9-10 in the morning

the crossing place is called Ardani?

he has 31 collis with him and the weight is around 800 kg

his mobile is +358 40 867 5959 or +358 50 611 333

please call him and tell whether there will be somebody to help him with the customs

best
