Dear sir,

My name is Christian Girard, I am a practicing architect in Paris and a Professor of architecture. I write to you on behalf of SULAN KOLATAN, from New York. I will be spending a few days next week in Istanbul, with Chantal, my wife, and I would be very pleased to have the opportunity to meet you if you have time and visit PROJE 4 LEVENT.

I am interested in contemporary art and in discovering turkish art of today. We will be at the Ayasofia Pansiyonlari at Sogukçesme Sok. from May the 9th until Sunday 12th. Tél 513 36 60 Fax 513 36 69.

My work in architecture tries to conciliate design and theoretical research, I have a small firm and we do public and private work; I write articles on theory and critic. (see my resume here attached).

Hoping to read you, and to meet you next week,
yours sincerely,

Christian GIRARD
