Hi, Nicholas, thanks for the time and sharing your projects with me. I will get back to you as soon as I close the deals with my projects, both the museum and the center, and fortify my position there. I see the opportunity of working together, and as soon as I have the time the possibility to see ahead, I will be in touch. Please do not hesitate to suggest programs as you see fit.  
Warm regards,

Vasif Kortun
