Dear Thomas Rosenstand:

I am writing you at the suggestion of Birgit Flügge regarding the panels you have made for the travelling exhibition of Arne Jacobsen, "Milestones & Evergreens" produced by the Dansk Design Center.

We are in the process of producing the panels in Turkish in Istanbul for an exhibition on Arne Jacobsen that were kindly offered us by the DDC upon our request. To this end, I would like to know the specific materials you have used for the printing and display of the panels. This would include the type/weight/surface of the paper, the kind of matting (foamcore/aluminum or other).

Thank you very much for your assistance in this matter in advance.

Warm regards,

Vasif Kortun
