

Dear Guisun,

*A-Dress: States of Being* has approximately one month to go on exhibit. It is still receiving positive and extensive response from the public and press. Thank you again for your participation in making this project such a success.

For your files, I am sending you material surrounding the exhibition that we have collected to date. We are still awaiting response from potential funding concerning the publication. I am retaining some visuals and installation photographs for this purpose but will send what I can in the meantime. I will be in touch with you when I know more concerning the publication status.

I hope all is well and wish you well in future projects.

Best regards,

Shirley Madril
