Subject: Re: let's see if this works

What about before the national holiday? What If I arrive on Saturday, November 30 (in order to get a cheaper ticket) and stay until Tuesday or Wednesday (December 3,4)? It depends, of course, on how many nights you could put me up for. I could give a lecture any of these days (but I don't know my arrival hour on Saturday yet.)

this is great, let's go with it, Vasif
