

Helsinki 14th of October, 2003

Dear **Vasif Kortun and November Paynter,**

Herewith we would like to invite **Platform Garanti Contemporary Art Center** to participate in the project ***Institution² Art Institutions: The Ethics and Aesthetics of Working with Contemporary Art*** curated by Jens Hoffmann. ***Institution²*** is a collaboration between NIFCA, Nordic Institute for Contemporary Art and KIASMA - Museum of Contemporary Art in Helsinki.

Institution² begins on the 3rd of December 2003 at KIASMA where the seminar and the exhibition will take place. The seminar will run from the 3rd till the 4th of December 2003, the exhibition will last till the 4th of January 2004.

We enclose you again the outline of the project and some contact details. It should give you all the necessary details regarding the idea of the project and the schedule of the seminar. Jens Hoffmann will be in touch with you about your contributions for the exhibition and the seminar. It would be crucial for us to know what costs you estimate for your contribution to the exhibition to calculate the expenses we will have.

We will take care of the travel and accommodation arrangements and will be in touch with you about this shortly.

We hope that you find this a challenging project and hope to hear from you soon. Please do not hesitate to contact us anytime should you have any questions.

With best wishes,

Marita Muukkonen
