Dear Mr. Kabas:

It is my great pleasure to inform you that our exhibition Contemporary Turkish Painting, was a great success. The exhibition looks very nice in our new Gallery and we have a most enthusiastic response from our public.

We have sent you the first edition of the catalogue and we hope that it will reach you soon. The revised second edition is being printed and will be sent to you when we receive it from the printers.

I want to take this opportunity to thank you again for your collaboration in this project and will inform you soon of further exhibition plans.

Sincerely yours,

Michael Milkovich
