

II. Assignment:

a. Over the vacation you are supposed to prepare on white drawing paper ( 1/16th of the original size) as many different colors as possible. You are to paint with gouache. First use the colors that you readily have in your tubes. Then start mixing them and get as many varieties, tones and mixtures as possible. Each piece of paper is supposed to hold one single flat area of color.

b. Pen and ink drawing of a street in Istanbul. That involves perspective (try to measure and apply correct perspective). And don't forget line character and value appropriate to subject matter.

III. NEXT WEEK:

a. Bring your color sheets and drawings.

b. Bring pen and ink, pencil and enough drawing paper. And also your gouache colors, brushes and a water-jar.
