Dear Ms. Bumpus:

I hope everything has been fine with you since we had met in Istanbul during opening of the Biennial.

I heard through a friend a while ago, who had met you in London, that you were looking for my contact numbers and address. Since she neglected to give me your numbers, and I doubt she sent you mine, I decided to get in touch personally. You will find my address and numbers at the bottom of the page. Meanwhile, I would be very happy to know if and when you covered the 3. Istanbul Biennial.

Since the closing of the exhibition, I have been working as a free-lance critic and curator. Thank you again for your interest in the Istanbul Biennial

With best wishes,

Vasif Kortun
