Dear Vasif,

I am sure you are extremely busy right now. Attached for your information is a fax from Suzanne Delahanty to me concerning her visit to Istanbul to attend what she calls the "Istanbul International". I assume she is talking about the Biennial. I do not know her and thought you might be able to shed some light on who she is? I will not answer her until after I touch base with you.

Cheers,

Philip J. Breeden

Vanessa Palmer kindly forwarded your invitation to the opening of the Istanbul Biennial on Friday, 16 October. I look forward to the pleasure of joining you in the celebration of this important event.

I plan to arrive in Istanbul on Monday, 12 October to have some personal time to see your city, visit the museums and galleries and, if possible, to also visit with artists and critics.

I would greatly value your recommendations. It is an extraordinary privilege for me to visit Istanbul and I would like to see as much of contemporary Turkish art as I can - in far too short a period of time.

Thank you very much for your kindnesses. I look forward to meeting you.
