Dear Anda,

It has been a while since I wanted to write you personally. Since our meeting in Santa Monica things have been quite hectic on my part and I had but little time to sit down to write.

I sent you an official letter of invitation to the Biennial about three weeks ago, and I do expect a reply from you soon. Despite all the efforts to the contrary and to the chagrin of many people here, the Biennial and the Museum work is going fine. in Istanbul the Museum work is going fine.

I still have to write that essay for your catalog, but I am afraid I don't have the time to do it. The earliest I can send it to you would be in the third week of February.

be in the third week of February. If you think that is too late just drop me a note. I am sorry about this, but I am too busy at this moment.

It seems as if we are going to have a very solid exhibition. that  
With all my love, my best in 1992...
