

Dear Calin,

Find below a letter on the dead-lines and other recent information on the Biennial.

Please inform me as soon as possible. If you think it would be beneficial, I will get in touch with the Romanian Consulate here. Please do not hesitate to inform me on any of the bureaucratic procedures to be followed through from here.

I suppose your letter is in the mail right now. I will send you the pertinent letters as soon as I receive it.

My best,
