Der Mr. Chun:

Thank you for your interest in the 3. International Istanbul Biennial. Enclosed you will find the concepts and the information on the event.

What would be the best at this point, is that you send us visual (35 mm. transperancies) and other documentary information (catalogs, exhibition histories, and vitae) on a maximum of 10 Korean artists whose works relate to our project, and we can work on from there.

I am looking forward to your reply,

Sincerely,
