Dear Kari:

I was wondering if it would be a better idea for you to send us on a CD the design and the fonts of the invitation cards as well as the posters so that we can print copies here in turkish. This would decrease your costs as well.

Can we please go, as you suggest, with the following schedule:

Begin installation: March 30

Open: April 5

Close: June 15

Also, what is the story with Vanessa Baird? Is she refusing to be in the show in toto, or only for the Istanbul leg? What happens if she drops out? Does she get dropped out of the catalogue as well? Are we down to one floor?

Warmest,

Vasif
