Dear Vasif,
I feel quite guilty, for only writing you today. Thanks so much for the great days you organized for us in Istanbul. It was very informative to see all the artist and dosiers. It was a pleasure to meet your family. I hope we will have a chance to collaborate in some projekt. Please let me know if you feel like coming here at some point to speak with Kathrin about our projekt. I would be delighted to invite you. Give a kiss to your beautiful princess and all the best for the new restaurant. all the best
Hortensia

Dear Hortensia, thanks so much for your message. It was a pity not to have met at length in Frankfurt. The show was extremely light, no? Actually, things come one after another, first I commiserated in London with Katherine (David), and secondly the Manifesta board. Let's keep our channels open, and I am more than glad to assist in any way Kathrin R. wants.
Warmest, Vasif
