Dear Vasif Kortun

I am pleased to be able to inform you that Birgit Flügge and I have reached an agreement regarding the preconditions for your utilisation of the digital exhibition material for the exhibition "Milestones & Evergreens".

Provided that you retain the original layout, format and size of the panel displays as set out in the initial printing (i.e. the Performeur system), you hereby have the right to produce and display the exhibition for the period required.

As soon as you have a solution regarding the method of printing and the material etc. ready, we would like you to send a presentation the address below. We need it for dokumentation.

The files will be transferred to you as soon as possible.

Best wishes,

Søren Sønderstrup
